**Basil Manietta**  
**Full-Time Lecturer,**  
**Hankuk University of**  
**Foreign Studies**  
**Seoul, Korea**

Basil Manietta is a Korean linguist who has been living and working in South Korea for more than ten years. During his time in Korea, Mr. Manietta has had a wide variety of experiences both as a student as well as in a variety of jobs—ranging from bar-tending to his current role as an English lecturer in Seoul. In addition to teaching, he also works as a freelance translator and interpreter, a localization consultant, and a researcher focusing on Korean sociocultural linguistics.
