# MIC WORKSHOPS SERIES SPRING 2021 Language & Social Justice

## WORKSHOP 3

### Creating Equitable Participation Opportunities in the Classroom

March 5, 2021 @3.30-5.00pm

#### Facilitator: Agnes He

This workshop explores ways in which social justice can be promoted through creating equitable opportunities for classroom participation, especially for students of linguistic minorities. It provides the participants with hands-on practice in the application of intercultural communication resources to enhance equity in the classroom.
