Last Chance: Free Cyber Training Valued at \$12K

End Cybersecurity Month Right by Shoring Up Your Cyber Defenses!

Cybersecurity Month is coming to a close, and we'd like to encourage our New York State Department of Defense manufacturer clients to take advantage of this final opportunity to join New York MEP's no-cost Cybersecurity Cohort.

Cohort members get access to free, on-demand training valued at \$12,000:

- Learn at your own pace from 15 expert-led, online training modules
- Ensure compliance with the DFARS clause based on NIST SP 800-171

- requirements by learning how to perform a cybersecurity self assessment
- Learn tips and tricks on how to protect your company from costly cyber attacks

Don't let the opportunity pass you by:

U.S.-EU Trade & Technology Council: U.S. Stakeholder Engagement Event

**November 18, 2021
2:00PM-3:15PM EST**

On November 18, TTC will host a virtual event for U.S. stakeholders to engage with the U.S. Government leads of four of the ten TTC working groups (WG) in concurrent sessions at 2:00-3:15 pm EST. The four WGs are the following:

- **Information and Communication Technology and Services (ICTS) Security and Competitiveness**

- Promoting Small- and Medium-Sized Enterprises (SME) Access to and Use of Digital Tools
- Secure Supply Chains
- Technology Standards

Participants can share their views or just listen to the discussion. Please **click the button below** to *register your interest by November 3, 2021* (Space is limited, registration is not guaranteed).
