### **Long Island Regional Virtual Manufacturing Day**

October 1st, 2021 8:30AM - 12:30PM

Join us as Long Island manufacturers open their doors virtually to welcome their future workforce to the exciting world of manufacturing! A panel discussion, presentations, virtual games, and more! Share this with an educator to join with their class!

Register Here

## **New York State-Wide Virtual Manufacturing Day Event**

October 15, 2021 8:30AM-12:30PM

NY Statewide Virtual Manufacturing Day is an event that will celebrate manufacturers from across NYS and highlight the pathways students can take toward manufacturing careers. NY Statewide Virtual Manufacturing Day will benefit companies, community leaders, educators, students, and economic development and manufacturing associations across the state.

Join us by registering below! Share this with an educator to join with their class!
